The terms "administrator" and "supervisor" shall include any certificated or professional employee having the authority to hire, direct, transfer, assign, promote, evaluate, discipline or discharge other employees.

As a condition of recognition, the Association shall provide, in writing, to the Superintendent, the following information:

- A. Business address and business telephone of the Association.
- B. A copy of any Constitution, By-Laws and Charter which govern the Administration and operations of the Association.
- C. The business and home addresses and telephone numbers of Association officers and Association members of the negotiating team.
- D. The business address and telephone number of the Association UniServ Representative.

The Association shall notify the Superintendent of any changes to insure this information is accurate and complete.

ARTICLE III

SUSTAINING RECOGNITION

OK The recognition of the Association shall be for a term of two (2) years and from year to year thereafter, provided, that in accordance with the provisions herein, the Association submits evidence that 51% of the members of the bargaining unit duly designate the Association as their exclusive bargaining representative.

Evidence for recognition shall be in the form of a membership list and/or designation cards, provided by the Association, indicating that the teacher designates the Association as his/her exclusive bargaining representative.

Should the Association fail to sustain recognition as specified above, it shall be granted the opportunity to regain recognition in accordance with the following procedures.

- A. No sooner than forty-five (45) calendar days after recognition expires or from the date the Association fails to comply with the provisions specified above, the Association may petition the Board to reestablish its recognition of the Association.
- B. Should the petition of the Association show membership and/or signed designation cards by 51% of the bargaining unit members, the Board shall renew recognition; provided, however, that within thirty (30) calendar days of receipt of the petition, fifteen (15) percent or more of the bargaining unit members, do not petition for a secret ballot election to determine which, if any, organization will represent teachers.

Conflict? Should a sufficient number of teachers petition for a secret ballot election, an election shall be conducted within thirty (30) calendar days of the date of the receipt of the petition. The ballot shall name each teacher organization demonstrating that no less than 15% of the bargaining unit members designate it as their exclusive bargaining representative and shall further provide an alternative for "No Organization". That teacher organization receiving fifty-one (51%) percent or more of the total votes cast shall be determined the exclusive bargaining representative of teachers. If a simple majority of the valid votes cast are for "No Organization", no teacher organization shall be recognized by the Board during the succeeding twelve (12) months.

The cost of such election shall be borne equally among the teacher organization(s) petitioning for recognition.

ARTICLE IV

SCOPE OF NEGOTIATIONS

The obligation to bargain collectively means to negotiate at reasonable times and executing a written contract incorporating the terms of any agreement reached. The obligation to bargain collectively does not require the Board or the Association to agree to a proposal nor does it require the making of a concession.

No reprisal of any kind shall be taken by or against any participant in negotiations with the administration or the Board of Education by reason of such participation.

Those matters which shall be negotiable are: Salaries, Insurance, Duty Days, Leaves of Absence, Grievance Procedure, Association Rights, Personnel Files, Professional Growth, Procedures for Professional Evaluation of Teaching Personnel, Procedures for Selecting Teacher Materials, Curriculum Development Procedures, In-Service Procedures, Pay Periods, Mileage, Educational Aides, Vacancies and Transfers, Duty Free Lunch, Individual Rights, and such other matters as may be mutually agreed upon by the Board and the Association.

ARTICLE V

Each team may consist of no more than five (5) members. Each party represented in the procedure shall determine who will be its team representatives. Team members shall be authorized and required to bargain in good faith, that meaning to present proposals, consider proposals, offer counter-proposals, make concessions and provide positions in behalf of the party represented with the purpose of reaching agreement on issues being discussed.

in addition to 5th
Either team may utilize the assistance of consultants, as it deems necessary, at any session to assist in the process. Cost of such consultants shall be borne by the party utilizing such consultants.

Designated representative(s) of the Board shall meet at mutually agreed upon places and times with representatives of the Association for the purpose of effecting a free exchange of facts, opinions, and proposals in an effort to reach mutual understanding and agreement. Both parties agree to conduct such negotiations in good faith and to deal openly and fairly with each other on all matters. Following the initial meetings, as described above, such additional meetings shall be held, as the parties may require, to reach an understanding on the issue(s), or until an impasse is reached. Meetings shall not exceed three (3) hours and shall be held at a time other than the regular school day except by mutual consent. Should any meeting(s) be held during school time, the Superintendent shall authorize the absence of the Association negotiators.

Upon request of either party at any time, the negotiation meeting shall be recessed to permit the requesting party a period of time to caucus.

Negotiation meetings shall be in executive session unless otherwise mutually agreed by both parties.

While no final agreement shall be executed without ratification by the Pickerington Association of Teachers and adoption by the Board of Education, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

Upon reasonable request, the Superintendent shall make available to the recognized teacher organization, such information as is pertinent to the issues under negotiation; provided, however, that nothing herein shall require the Superintendent to make available to said teacher organization any confidential information or reports expressly compiled for the use of the Board or its negotiators.

ARTICLE VI

AGREEMENT OR DIFFERENCES

As tentative agreement is reached on each issue, it shall be so noted and initialed by each party. When consensus is reached covering the areas under discussion, the proposed agreement shall be reduced to writing as a tentative agreement and submitted to the Association and the Board for approval. Following approval by the Association and by the Board, a contract shall be entered into by both parties. The Association and the Board agree to abide by the terms of the agreement. The final agreement as adopted by the Board and ratified by the Association will be duplicated and presented to each member. The cost of such duplications, including labor and materials, shall be borne equally by the Board and the Association.

In the event an agreement is not reached by negotiations after full consideration of proposals and counter-proposals, either of the parties shall have the option of requesting the assistance of a federal mediator under the guidelines of the Federal Mediation Conciliation Service.

A teacher employed as a substitute with an assignment to one specific teaching position shall, after sixty (60) days of service, be granted sick leave. The basis for determining this number of days of sick leave for full-time employees shall be $1 \frac{1}{4}$ days per month for twelve (12) months. The sick leave shall be cumulative to a maximum of 180 days.

1. Accumulation of Sick Leave shall be based on the following formula and credited to teacher's sick leave records:

<u>Average Number Hours Worked Per Day</u>	<u>Monthly Accumulation of Sick Leave</u>

4 hrs. 30 min. - 5 hrs. 59 min.	1 day
3 hrs. 00 min. - 4 hrs. 29 min.	$\frac{3}{4}$ day
1 hr. 30 min. - 2 hrs. 59 min.	$\frac{1}{2}$ day

2. Teachers shall have sick leave deducted according to the following formula:

<u>Amount of Time Absent Per Day</u>	<u>Sick Leave Deduction</u>
270 min. ($4 \frac{1}{2}$ hrs.) or more	1 day
180 min. (3 hrs.) up to 269 min. (4 hrs. 29 min.)	$\frac{3}{4}$ day
90 min. ($1 \frac{1}{2}$ hrs.) up to 179 min. (2 hrs. 59 min.)	$\frac{1}{2}$ day
up to 89 min. (1 hr. 29 min.)	$\frac{1}{4}$ day

- B. At the beginning of a full-time teacher contract year, teachers with a cumulative total of less than five (5) days sick leave will be advanced the number of days necessary to bring their beginning total to five (5) days. If the sum of an employee's cumulated days of sick leave at any time is below 180, only a sufficient number of days shall be recorded to his credit to bring the total of the cumulated days of sick leave up to 180.
- C. If a person is employed during the school year, he/she shall be credited with days of sick leave in proportion to the fractional part of his/her term which remains at the rate of $1 \frac{1}{4}$ days per month.

II. Proof of illness or of absence for other reasons must be established with the Local Superintendent.

- A. Each absence of five (5) consecutive days or less must be explained on a form provided by the county schools office.
