- Step 5: Follow the steps on the Savi site. This may take a little time because the Savi algorithms need a lot of data regarding your loans, where you work, what you do, your state, tax information, etc. This data will ensure that Savi has the best information on you and your loans to make sure you realize the best savings and loan forgiveness options.

The screenshot shows the Savi Student Loan Navigator website. At the top, it says "Student Loan Navigator" and "Start your journey to student loan freedom". Below this is a blue form area with the question "How much can free federal repayment programs lower your monthly student loan payment?". The form contains two input fields: "My expected 2019 household income is: \$ 20,000" and "My monthly federal student loan payment is: \$ 300". A prominent orange button labeled "Get My Estimate" is centered below the inputs. A link "Not currently making monthly loan payments?" is located at the bottom of the blue section.

Below the form is a white section titled "How Savi Works" with the subtitle "We simplify the process to help you pick the plan that's best for you and your financial situation." It features three icons and their corresponding descriptions:

- Get a Personalized Estimate:** Get us a little about you and your loans to see all available options.
- Review Options:** Compare all your repayment options side-by-side.
- Sign:** Fill a repayment plan and quickly enroll through Savi to get ongoing advice, loan, and forgiveness.

The bottom section is titled "About Savi" with the text "Savi is a social impact company that provides a student loan benefit to help you manage your debt." Below that is a "Leadership" section for Aaron Smith, a former U.S. Senator, with a detailed bio: "Before Savi, Aaron co-founded and served as the original Executive Director of Young Invincibles, one of the largest and most impactful youth advocacy and policy non-profits in the country. Aaron started YI in 2010 while still a student at Georgetown Law School (for which he still has substantial student loan debt). Through his work at YI, Aaron worked with the Department of Education, the White House, and Congress to make concrete investments in higher education funding and the student loan process. Aaron lives with his wife and daughter in DC. Email Aaron at Aaron@younginv.com."

- Step 6: When your information is complete, you will receive a free analysis of your loans. Once you see the results, you can choose to enroll in the programs for which you qualify or continue the process on your own.

Because you are an NEA Member, you may choose to enroll and have the platform complete the forms for you at discounted price of \$29.95 for 12 months (normally \$89.95). This includes: one-on-one assistance from Savi, assistance completing the loan forgiveness paperwork, and updates on next steps to make sure that you recertify your loan information each year as required.

The image shows a screenshot of the Savi website's enrollment process. The page is titled "Enroll" and features a sidebar on the left with navigation options: "GET FINANCE", "HELP", and "SUPPORT". The main content area is titled "PERSONAL INFORMATION" and contains a form with the following fields: "First Name" (John), "Last Name" (Doe), "Date of Birth" (12/15/84), "Street Address" (27 Plaza Street), "Street Address 2" (), "City" (Pittsburgh, PA), "State" (PA), "Zip Code" (15201), "Telephone (Primary)" (412.434.7636), and "Telephone (Alternate)" (). A "Next" button is located at the bottom right of the form. The Savi logo is visible in the top left and bottom center of the page.

Please share your feedback regarding how the program worked. Were you able to lower your costs, did you find this helpful, etc.?

Contact our Member Service Center at 800.637.4636 with any questions.
