

Pickerington Education Association

Friend of Education Nomination

The PEA Friend of Education Award was created to recognize individuals, community groups or business partners whose support to one or more of our schools has significantly benefited education for our students, staff and district.

Any Association member may submit a nominee to their Faculty Leadership Team for consideration.

Based on these nominations, each building's FLT will then select one person who they feel is the most deserving of this award. PLEASE check to see if your person has been nominated previously and won the award. (complete list is on the PEA Website under PEA Friends of Education Banquet)

Please determine and notify your nominee and scan/email the completed form to Brad_Harris@plsd.us no later than Monday, March 2, 2020.
